

Sea Sprite 23 Weekender for Sale

Built in 1976 at Wickford Shipyard

\$7,000 or best offer

An enduring classic designed by Carl Alberg and widely valued throughout New England. A wonderful sailer, responsive and stable in both light airs and strong winds. Six-foot cockpit can comfortably seat 4. Ample storage below and spartan accommodation for 2 – 4. Very well suited to single-hand sailing. A ruggedly built, seaworthy boat.
